Medical

CNA

Certified Nurse Assistant

Answer: D

QUESTION: 8

A patient's daughter is requesting to perform morning care for her mother. The patient is okay with the request, and it has been cleared with the charge nurse. What should the CNA do?

- A. Refuse to let the daughter assist.
- B. Allow her to perform the morning care and leave the room to provide privacy.
- C. Allow her to assist with morning care, but stay in the room to ensure it is being done correctly.
- D. Request that the nurse supervise the patient's daughter.

Answer: C

QUESTION: 9

When the CNA is informed of an admission, what is her responsibility?

- A. Prepare the room, including the linens, gowns, and other necessary equipment.
- B. Complete the admissions interview.
- C. Make sure the patient's medications have been received from the pharmacy and are correct.
- D. Coordinate the patient's care with the rest of the treatment team.

Answer: A

QUESTION: 10

Which of the following is NOT a reason for a CNA to refuse an assignment?

- A. The CNA feels the task is unethical.
- B. Performing the task would cause harm to the CNA
- C. The CNA had a serious disagreement with the patient's family the day before.
- D. The assignment is outside the CNA's scope of practice.

Answer: C
