Question: 76

HOTSPOT

You need to order the high-end tires.

What should you set up? To answer, select the appropriate options in the answer area. NOTE. Each correct selection is worth one point.

Requirement

Action

Create the order.

	▼
Create a new purchase agreement.	
Create a new purchase order.	
Create a new purchase requisition.	

Add the tires.

	▼
Accept the default from Inventory Management parameters.	
Create a new item.	
Select an item on the purchase order line.	
Select from the procurement category.	

Answer:

Requirement**Action**

Create the order.

▼
Create a new purchase agreement.
Create a new purchase order.
Create a new purchase requisition.

Add the tires.

▼
Accept the default from Inventory Management parameters.
Create a new item.
Select an item on the purchase order line.
Select from the procurement category.

Question: 77**DRAG DROP**

A company uses Dynamics 365 for Finance and Operations.

You need to perform month-end close processes.

At which process steps should you perform the actions? To answer, drag the appropriate process steps to the appropriate actions. Each process step may be used once, more than once, or not at all. You may need to drag the split bar between panes or scroll to view content. NOTE. Each correct selection is worth one point.

Process steps	Action	Answer Area
pre-closing	Configure the system to disregard non-financial transactions during month-end close processes.	Process step
close procedure - check open quantities	Display a list of inventory transactions that will remain open after month-end close.	Process step
close procedure - check item costs	Display a list of items that exceed the maximum deviation percentage.	Process step
close procedure - close inventory	Settle issue transactions to receipt transaction based on the inventory valuation method assigned to each item.	Process step
inventory close log	Display a list of transactions that were not settled.	Process step

Answer:

Process steps	Action	Process step
pre-closing	Configure the system to disregard non-financial transactions during month-end close processes.	pre-closing
close procedure - check open quantities	Display a list of inventory transactions that will remain open after month-end close.	close procedure - check open quantities
close procedure - check item costs	Display a list of items that exceed the maximum deviation percentage.	close procedure - check item costs
close procedure - close inventory	Settle issue transactions to receipt transaction based on the inventory valuation method assigned to each item.	close procedure - close inventory
inventory close log	Display a list of transactions that were not settled.	inventory close log

Question: 78

DRAG DROP

You manage a Dynamics 365 for Finance and Operations system for a company.

You need to configure agreements in the system.

Which agreement types should you use? To answer, drag the appropriate agreement types to the appropriate scenarios. Each agreement type may be used once, more than once, or not at all. You may need to drag the split bar between panes or scroll to view content. NOTE. Each correct selection is worth one point.

Agreement types	Answer Area	Agreement type
purchase	Scenario Customers who purchase between 51 and 100 units of Product A receive a \$10.00 discount per unit. Customers who purchase over 100 units receive a \$12.00 discount per	Agreement type
sales	A customer agrees to purchase 500 laptops over the next six months.	Agreement type
trade	Your company agrees to purchase \$150,000 worth of office supplies within a year.	Agreement type

Answer:

purchase	Customers who purchase between 51 and 100 units of Product A receive a \$10.00 discount per unit. Customers who purchase over 100 units receive a \$12.00 discount per	trade
sales	A customer agrees to purchase 500 laptops over the next six months.	sales
trade	Your company agrees to purchase \$150,000 worth of office supplies within a year.	purchase

Question: 79

A buying agent is evaluating vendors for sourcing an item. Prices and lead times vary by vendor.

The buyer requires that the planning engine be set up to provide the best price while considering the lead time.

Manual correction must not be required after planned purchase orders have been created.

Which two actions should you perform to meet the requirements? Each correct answer presents part of the solution.

- A. Use Planning Optimization.
- B. Use built-in master planning.
- C. Set Purchase trade agreements.
- D. Set the default vendor on the item.
- E. Set the override lead times on the item to yes.

Answer: C,D

Question: 80

You need to test the existing brakes in inventory.

What are two possible ways to achieve this goal? Each correct answer presents a complete solution. NOTE. Each correct selection is worth one point.

- A. Assign a Phantom bill of materials (BOM) line.
- B. Create a manual quality order for existing inventory.
- C. Assign brakes to an inventory status that is blocked.
- D. Create an automatic quality order for existing inventory.

Answer: B,D

Killexams.com is a leading online platform specializing in high-quality certification exam preparation. Offering a robust suite of tools, including Exam Questions, practice tests, and advanced test engines, Killexams.com empowers candidates to excel in their certification exams. Discover the key features that make Killexams.com the go-to choice for exam success.

Practice Exam Questions Based on Current Exam Objectives

Killexams.com provides practice exam questions aligned with the latest official exam objectives and latest syllabus. Our content is reviewed and updated regularly to reflect recent changes announced by certification vendors. By studying these practice questions, candidates will cover the structure, difficulty level, and topics of the actual exam, helping them prepare more effectively and efficiently.

Comprehensive Practice Exams (PDF Format)

Killexams.com offers multiple-choice questions (MCQs) in easy-to-read PDF format, covering all major domains of the exam. Each PDF contains a structured collection of practice questions and verified answers designed to support focused study. These MCQs help candidates reinforce key concepts, identify knowledge gaps, and improve exam readiness through consistent practice.

Realistic Practice Tests (Online Test Engine & Desktop Test Engine)

To support hands-on preparation, Killexams.com provides practice tests through both an Online Test Engine and a Desktop Test Engine. These tools are designed to simulate a real exam environment, allowing candidates to practice under exam-like conditions, with latest syllabus and topics of the exam. Performance tracking, test history, and result analysis help users evaluate their progress and focus on areas that need improvement.

Risk-Free Purchase Policy

Killexams.com follows a transparent and customer-friendly purchase policy. If users are not satisfied with the study materials, they may request assistance or a refund in accordance with our published terms and conditions. This policy reflects our commitment to customer satisfaction, fairness, and confidence in our preparation resources.

Regularly Updated Content

Our practice question bank is reviewed and updated on an ongoing basis to stay aligned with the latest exam outlines and vendor updates. This ensures candidates are studying up-to-date, relevant material, and preparing with content that reflects current exam expectations, helping them stay confident and well-prepared.
